MARCH, 2024

Chairman's Message

As we bid adieu to the lingering chill in the air, March heralds the arrival of spring — a season of renewal, vibrancy, and hope. The onset of the new season comes with the hues of green bursting forth, mirroring the kaleidoscope of festivities that grace this month.

We celebrate Holi, a riot of colours, in March — symbolising the triumph of good over evil. The popular tale of Holika and Prahlad, of how Prahlad's unshakeable faith saved him while the evil designs of Holika perished teaches us the importance of courage in adversity, faith and devotion, and above all humility.

The other legend associated with Holi is the divine love between Lord Krishna and Radha. Like pure love, Holi transcends boundaries, bringing people together to celebrate the spirit of unity and love. It is a festival that paints the canvas of life with the vivid colours of happiness, forging bonds and fostering a sense of community that resonates far beyond its mythological origins.

March is also the month of Maha Shivaratri — a day dedicated to Lord Shiva, embodying introspection and spiritual awakening. March further unfolds to honour the strength, resilience, and achievements of women around the world on International Women's Day. It's a time to recognize, appreciate, and empower the incredible women who shape our lives. This March we also observe Good Friday, which highlights the virtue of forgiveness and the holiness of the Almighty.

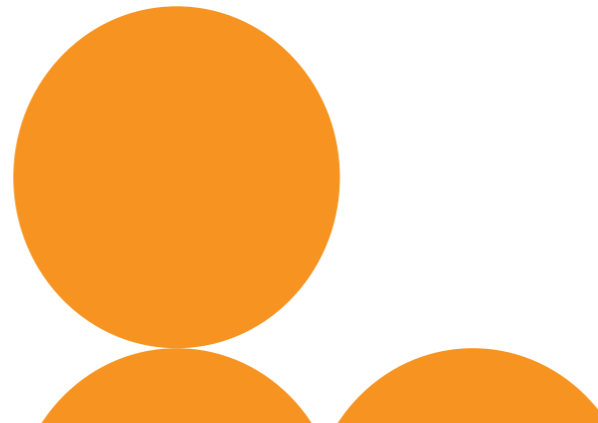

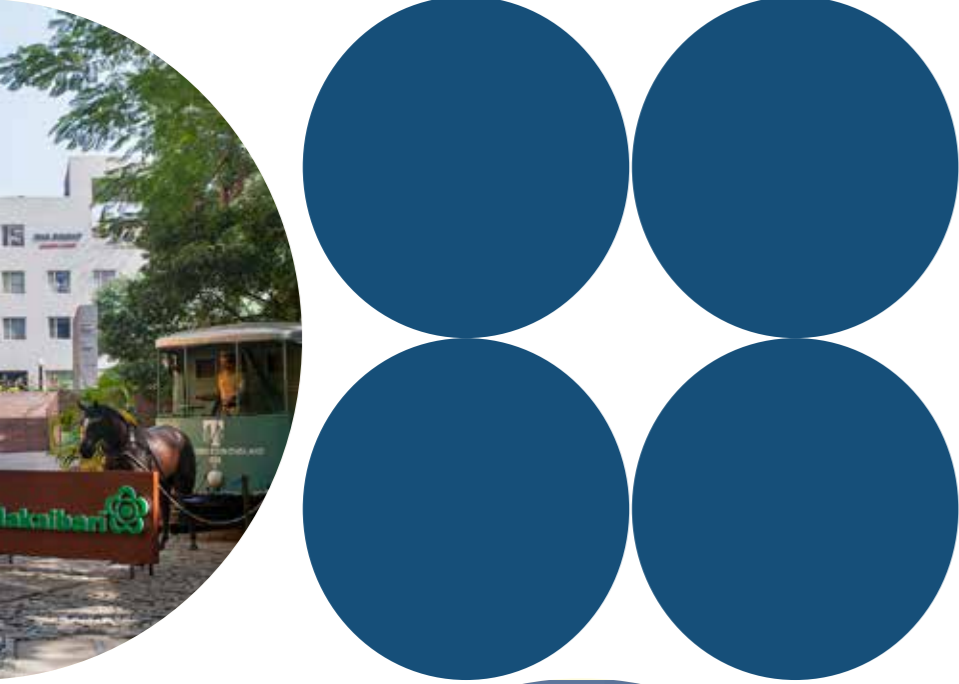

Much like the blooming flowers of spring, let us nurture and groom ourselves to evolve and flourish. In whatever we may do in our lives — both in the professional sphere and in our personal realms — our commitment to excellence and innovation should remain unwavering.

Come, let the essence of spring, the vibrancy of Holi, the spiritual introspection of Shiva, the magnanimity of women, and divine blessings inspire us all.

Wishing you a March filled with colours, spirituality, and empowerment.
